**S**outheast Guilford Senior High School opened in the fall of 1962. Located in Guilford County, North Carolina, Southeast was a consolidation of Alamance, Nathanael Greene, and Pleasant Garden Schools. John A. Cox, Jr. served as principal for the first eighteen years and was succeeded by David James Turner, who served from 1980 until 1984. For the past three years the school's principal has been David Dodd Girardi. For twenty-five years Southeast High School has strived to excel academically, culturally, and athletically. The success of the past quarter century has made students, parents, faculty, and community — proud to be FALCONS.

Now this, can you or what? If you want my opinion, I'll take the latter. I would say  
'it's been enjoyable but, I don't know if it has or not so I won't say anything.'  
I wish you had in your senior year, and lots of love in everything else! You have been  
an... interesting friend! I've had a few squabbles but, that's in the past!  
Well, have a great summer, a happy, happy day, stay out of trees and most of  
all BE GOOD!

The Prom has always been a special event; and Southeast's 1986 prom was no exception. Bryan Park was the place the big event was held. The juniors spent weeks preparing the Enrichment Center in honor of the graduating seniors. There was a lot to be done.

Guys had to choose their date and hope she said "yes". Then the couple had to shop for apparel. The girl spent weeks looking for just the right gown. Once she found it, a matching tux had to be rented by the guy.

To add to all this confusion, the

prom was held on a Friday school day. The attendance office was swarmed with early dismissal. Girls needed the extra time to lay out in the sun and go to the hair dresser. Guys left school early to pick up their tuxedos and wash their cars.

After all the preparations were made, and everything was ready, the evening full of memories began. All of the hard work paid off. The night was a huge success. The memories made the night of April 25, 1986 will be kept forever.

## Falcons Celebrate 25th Homecoming

The week of October 20 was a busy one at Southeast. It was the week of our Silver Anniversary Homecoming. For twenty-five years this has been an exciting time for students and this was no exception. The entire week was scheduled with special events to boost the spirits of everyone. Wednesday was "Lick 'Em" day and the cheerleaders sold suckers that students were permitted to snack on all day. Thursday was "Jersey Day" and Friday was "Orange and Black Day". A new idea was a halftime pep rally and bonfire. On Thursday night the cheerleaders and Excalibur performed for students who came to cheer for the Falcons. Friday was also the day of the big pep rally. All week the Student Council sold tin foil squares to be made into "spirit balls," and the Seniors were announced as the winners of this contest at the pep rally. As usual, there were activities in which the classes competed against each other. A new treat to Southeast was the presence of 98.7 KISS-FM. There was a live spot on the radio from Southeast and Skip Preston played Simon

Says, "radio style," with the crowd. The week's activities were enough to excite anyone and that night was magic. Prior to the game, former Homecoming Queens from 1962-1985 were introduced and presented to the crowd. Each of the former Queens knew exactly what it felt like to be one of the nine girls on this 25th Homecoming Court. "I was so happy to have been chosen for the court, but I was also very nervous on Homecoming night," stated Senior Kelly Robertson. Junior Kim Lea explained, "It was so exciting and such an honor to be on the court." When the time came, each young lady and her escort was announced to the anxious crowd. Kim Lea was chosen by the Junior class as Maid of Honor. The announcement of the 1986-87 Homecoming King and Queen would be the peak of a very exciting week at Southeast. Patricia Jordan and Desi Williams were chosen as Queen and King by the class of 1987. Because of the hard work of everyone involved the Silver Anniversary Homecoming of Southeast was a huge success.

# NC to SD EXCHANGE

The exchange happens every three years. Thirty two Southeast students are chosen to journey to a world of snow and ice. Sioux Falls, South Dakota. After cramming for and taking exams, we loaded up the bus Friday night, January 16th and began the long ride. The morning hours went by quickly and were filled with excitement and anticipation. As the day went on, many found the sleeping conditions to be uncomfortable. Few hours were spent sleeping due to the limited seat space. When morning came we had no idea what city or state we were in. Our chaperones, Mrs. Allman and Mr. (wild thing) Castell informed us that we would spend the day in St. Louis. One of our tours was a trip up of the Gateway Arch. The next day was the last for Saturday the Holiday Inn in Kansas City. Sunday afternoon we pulled into the Lincoln High School parking lot to meet our partners. Before getting off the bus, we anxiously stared at the South Dakota students awaiting our arrival. The long trip was over, and we were

greeted with warm welcomes. Bright and early Monday morning we met at Lincoln High to attend a day of classes with our partners. During the rest of our stay we visited and toured much of Sioux Falls. Some of the fun things we did included a tour of the Center for Weather Studies. Among the topics discussed were EROS, an observational station which deals with severe weather, and the state of South Dakota's large business which manufactures and exports a variety of products. We also enjoyed the local attractions and had a lot of fun. The students enjoyed the weather, ice skating at Drake Springs and night skiing at Cedar Bear. The highlight of the trip was meeting many new friends along with experiencing another part of the country. Saying goodbye was not a hard task. It was when they left that we realized we would miss them. We will visit here in April. The two Southeast students who participated in this program will look back on it with fond memories for years to come.

### Forever My Friend

My friend, I do not wish for you to go,  
But life will not wait for us, I know.  
Don't look back and see the tears streaking down my face.  
In my heart you'll never be replaced.  
Hold tight to today, and it will take you to tomorrow.  
Hold your head high, and you will see that the sorrow  
Will soon fade with a dream that is yet to be.  
We're going to be the best of all, just you wait and see.  
Take me with you when you go I'll stay forever in your heart.  
That way we'll never have to say we lost a part of ourselves  
You're just the part of me I can't let go, and I'm glad you are a  
Friend I'll always know.  
So thank you for growing up with me, my friend.  
Parting now, we'll reach for the stars and see it's not an end,  
But the beginning of a life we've dreamed of for so long.  
Now it's time to show the world — we've made each other strong.

## 'MYRTLE'

### Here We Come

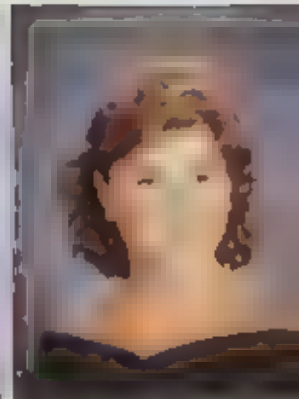

The Beach has always been THE spot for seniors to meet after graduation. Seniors traditionally spend a week celebrating with friends and enjoying their new freedom. This ritual will definitely be continued by the Class of '87.

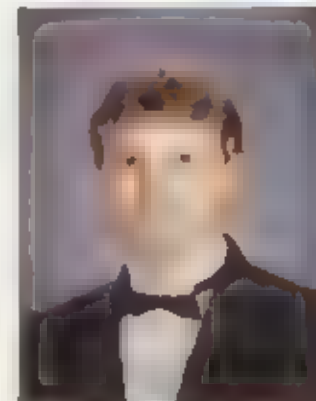

Living it up at the beach last summer were: Front Row: Kristine, Sharon Ross, Kim, Rosemary, Sheri, Patricia, Patricia, Joan, Mary, Brenda, Kim, Barbara, Debbie, Leanne, Back Row: Wade, Eric, Barry, Sud, Senora, Tay, Faye, Steve, George.
